*Lyon, thy children laud thy name today.
Unto thee we'll offer our hymn of praise for aye.
We shall ever love thee, loyal we shall be.
May our memories hold us ever near to thee.*

*Lyon, all hail to thee, all hail thy standards bright!
Forever we'll adore thee,
And follow in thy light.*

THE MISSION OF LYON COLLEGE

Lyon College offers a liberal arts education of superior quality in a personalized setting. A selective, independent, undergraduate, residential teaching and learning community affiliated with the Presbyterian Church (U.S.A.), Lyon encourages the free intellectual inquiry essential to social, ethical, and spiritual growth. With a rich scholarly and religious heritage, Lyon develops, in a culture of honor, responsible citizens and leaders committed to continued personal growth and service.

THE LYON COLLEGE CONCERT CHORALE

The mission of the Lyon College Concert Chorale is to promote good vocal skills inherent in lifelong choir members, advance the mission of the music program, increase the visibility of the College, and positively represent the campus community at important events in the life of the College. The ensemble fosters social, ethical, and spiritual growth by bringing together members of the campus community, working as a team toward a common goal of performance, and investigating the textual and performance issues of sacred and secular music from a variety of historical periods. Recent tours have taken the chorale to Chicago, Des Moines, Washington, D.C., Oklahoma City, Albuquerque, San Francisco, and El Dorado, Kansas, and to Little Rock for major performances with the Arkansas Symphony Orchestra. The chorale is directed by Dr. Joel Plaag and accompanied by Dr. Russell Stinson. The students sing at most official functions of the College including matriculation, graduation, and homecoming.
